Office of the Registrar of Co-operative Societies

## Order

No. 21-4-96-TS-HSG-CZ-RCS

Before the Registrar of Co-operative Societies,  
Panaji Goa

To,

- 1) Shri Suresh L. Azgaonkar,  
Chairman of The Gauri Co-operative  
Housing Society Ltd., Tivrem,  
Marcel Ponda.
- 2) Shri Jai Krishna D. Chari,  
Secretary of The Gauri Co-operative  
Housing Society Ltd., Tivrem,  
Marcel Ponda.
- 3) Shri Sadanand P. N. Parsekar,  
Treasurer, The Gauri Co-operative  
Housing Society Ltd., Tivrem,  
Marcel Ponda.
- 4) Shri Padmakar Kandolkar,  
Member of Managing Committee  
of The Gauri Co-operative  
Housing Society Ltd., Tivrem,  
Marcel Ponda.

- 5) Shri Mahesh Gaonkar,  
Member of Managing Committee  
of The Gauri Co-operative  
Housing Society Ltd., Tivrem,  
Marcel Ponda.

All the above respondents who are elected members of the Managing Committee of the Gauri Co-operative Housing Society Ltd., were served with show cause Notice No. 21-4-96-TS-HSG-CZ-RCS dated 8-12-99 in terms of Section 78 of the Maharashtra Co-op. Societies Act, 1960 as in force in this State as to why they should not be removed from the Managing Committee of the society for committing various defaults and appoint an Administrator or Committee of Administrators to manage the affairs of the society.

2. All the above respondents were given an opportunity to file their replies and also of being heard personally on 28-12-99. The Managing Committee members from Sr. No. 1 to 3 above attended the hearing. The replies were filed by the Managing Committee members at Sr. No. 1 & 3. The other Managing Committee members neither filed their replies nor attended the hearing.

3. The reply filed by the Managing Committee at Sr. No. 3 has no relevance to the charges mentioned in the show cause notice.

4. The person at Sr. No. 1 above, in his reply has admitted that the society has stopped the payment of instalments amounting to Rs. 32,480/- collected from the 4 loanee members of the society to their respective loan account with the Goa State Co-operative Housing Finance Federation Ltd., Panaji. The reason advanced for such lapse is that the part of the amount of the said instalment has been adjusted towards the group insurance and construction Insurance and the balance was kept in General Account of the society. This reason cannot be accepted for the fact that separate notices are issued by the Housing Federation for recovery of Equated quarterly Instalment premium towards Group Insurance scheme and construction Insurance and cannot be adjusted towards the amount stated by the society. Also it is the bounded duty of the society to deposit the amount towards the loan instalment collected from the members to the respective loan accounts with the Federation and the society cannot without due consent of the respective members utilise their amount of loan instalment to any other purposes. In case, the said 4 members have failed to pay their premiums for the Group Insurance and construction Insurance, the society could have resorted to other mode of action against the said members instead of stopping their payment to loan account. The Act of the society is highly irregular and amounted to breach of trust of members and acted prejudicial to the interest of the members thereby burdening the said 4 members with the penal interest charged by the Federation for non payment of instalment timely thereby rendering the society also a defaulter to the Federation. Moreover in the audit report for the year

1997-1998, the auditor has specifically pointed out that the Housing Finance Federation has not paid the dividend to the society as the dividend amount has been adjusted against the payment of Group Insurance and construction Insurance. Therefore, the statement of the society that the part amount of loan instalment of the 4 members was adjusted against the Group Insurance and construction Insurance appears to be false mis-leading and cannot be relied upon. The Managing Committee therefore did not discharge their duties and functions properly.

5. The other reason advanced by the society is that the society has stopped the payment of instalment to the Federation since the Federation has failed to obtain a proper mortgage deed at the time of disbursing the loan amount and one of the member took the advantage of the same for obtaining 2nd loan from the Government and created a charge on his tenement, this reason for stopping the payment of loan instalment is not valid. Infact, the Federation which is the lending institution may grant loan to a co-operative society even after producing the receipt of lodging the mortgage deed with the office of the Sub-Registrar. However, the Federation has subsequently completed procedure of mortgage deed with the Sub-Registrar office and copy of the mortgage deed is in possession of the Federation.

6. No reply in respect of other charges such as non convening of the Managing Committee meetings regularly, collection of contributions and dues of the society from the members, withdrawal of society's funds on self cheques and utilisation of funds without proper authority have not been clarified by the society. Therefore, these charges have been evidently admitted by the society. The society has therefore failed to discharge the functions and duties properly entrusted under the Act, Rules and the Bye-laws.

7. The Goa State Co-operative Housing Finance and Federation Ltd., which is a federal society of Housing societies has been consulted in the matter and the said Federation has informed vide their letter dated 17-12-99 that they have no objections for superseding the present Managing Committee of the society and appoint an Administrator or Committee of Administrators in its place.

8. In the light of the above position, I am of the opinion that the present Managing Committee of the society has failed to discharge their functions and duties entrusted to them under the provisions of Act, Rules and Bye-laws and committed a breach of trust of the members by acting prejudicial to the interest of the society. In case the present Managing Committee is allowed to continue to function further, I am of the opinion that a situation may arise that the functions and business of the society is bound to come to a standstill which will not be in the interest of the society, its members and the creditors. I, therefore, inclined to pass the following order:

#### Order
